**Livingston, N.J., August 9, 2012** – Attorney Brian Curtis, Counsel in the firm's Business Services Group, has been selected by the New Jersey State Bar Association's Institute for Continuing Legal Education to moderate and speak at a series of seminars directed toward assisting companies in navigating through the myriad legal issues and business considerations wrought by the recently upheld Affordable Care Act. The first program, titled "National Healthcare & Your Clients: How the Patient Protections and Affordable Care Act will Impact Businesses & Individuals", will take place on Thursday, August 30, 2012, at the New Jersey Law Center, One Constitution Square, in New Brunswick, from 9 a.m. - 12:30 p.m. The seminar series is expected to be especially beneficial for corporate executives, in-house counsel, and HR professionals.
