FOR IMMEDIATE RELEASE

Stacey L. Meisel Included Among “Top 50 Women New Jersey *Super Lawyers*® 2012” for the Second Consecutive Year

Livingston, N.J., March 30, 2012 – Becker Meisel’s co-founding member and co-chair of the firm’s bankruptcy, insolvency, and creditors’ rights group, Stacey L. Meisel, is included among the “Top 50 Women New Jersey Super Lawyers 2012;” this is the second consecutive year Ms. Meisel has received this honor. Included on the New Jersey *Super Lawyers* list since 2005, she, along with co-founder and partner Ben H. Becker, has set a quality standard of service within the firm that has led to this year’s inclusion of a third of the firm’s attorneys on the New Jersey *Super Lawyers* and *Rising Stars* lists, respectively.

Ms. Meisel represents privately-held corporations, Debtors, Chapter 7 and Chapter 11 Trustees, secured and unsecured creditors, equity holders, and other interested parties in bankruptcy and state court proceedings in New Jersey, New York, Delaware, and other jurisdictions. In 1997, she became a member on the New Jersey Panel of Bankruptcy Trustees appointed by the United States Department of Justice and is the first African-American woman to serve in this position in New Jersey. In her role as Trustee, she has conducted dozens of internal investigations into the propriety of acts of past management, officers and directors, and overseen financial audits of the books and records of numerous corporations for the purposes of tracing finances and investigating potential fraudulent or otherwise improper transfers of assets.

In addition to being recognized by Super Lawyers, Ms. Meisel has received a number of awards and honors, including being recognized twice by *The New Jersey Law Journal* as one of the forty attorneys selected to comprise their top “40 Under 40,” being named *NJBIZ*’s “New Jersey’s Best 50 Women In Business,” and being included on the peer-reviewed *Best Lawyers* “Best Lawyers in America” list since 2010*.

Super Lawyers selects attorneys using a multiphase rating process. Peer nominations and evaluations are combined with third-party research. Each candidate is evaluated on 12 indicators of peer recognition and professional achievement. Selections are made on an annual, state-by-state basis.

The Super Lawyers selection process involves three basic steps: creation of the candidate pool; evaluation of candidates by the research department; and peer evaluation by practice area.
