Becker LLC Hosts Third Annual Construction & Real Estate Group Golf Outing

Livingston, N.J., October 4, 2016 – The Law Firm of Becker LLC, along with the Whitman Companies and Citrin Cooperman, co-hosted the third annual Construction and Real Estate Group Golf Outing and Dinner on September 15, 2016 at Forsgate Country Club. Started recently in 2014 as a networking event for real estate and construction clients, this year’s event was a tremendous success with almost double the amount of guests from last year’s outing. With over eighty attendees, there were contractors and real estate developers from New Jersey, New York, Pennsylvania and other regional markets present. In addition to the large turnout of contractors and real estate developers, guests included traditional bankers and investment bankers, insurance brokers, commercial real estate brokers, title service providers, architects and engineers, property managers and other real estate and construction support groups. Anthony J. Vizzoni, Chair of the Becker Real Estate Practice Group, stated *“We were very excited to see the great turnout for this year’s golf outing. We are pleased that, along with our co-hosts from Citrin Cooperman and the Whitman Companies, we were able to introduce our clients to other construction and real estate professionals in such a comfortable and relaxed setting. While we continue to strive regularly to make quality introductions to all our clients at events such as these, we are especially happy to treat our clients and guests to a well-deserved enjoyable afternoon and evening out. The client feedback since the event has been very positive and we look forward to next year’s outing to help our clients further expand their network of relationships.”*
